

Office of the State Controller

OFFICIAL MEMORANDUM

To: Chief Fiscal Officers, Vice Chancellors, Business Managers

From: Troy Scoggins, Deputy State Controller

Date: June 01, 2022

Subject: 2022 Year-End Single Audit Reporting

The Office of the State Controller (OSC) prepares the Schedule of Expenditures of Federal Awards (SEFA) for each fiscal year based on information provided by state agencies for their Single Audit Reporting.

OSC requires all agencies, universities, community colleges, boards and component units of the State who have received federal funds in fiscal year 2022 to complete their 2022 Single Audit Reporting via SharePoint. All agencies must complete an Annual Certification Form through DocuSign. The certification form is located on the Single Audit SharePoint [site](#).

Fiscal Year 2022 Single Audit reporting due dates are listed below, and entities are required to enter their financial data into the SharePoint database by the specified date. Security access has been granted to Single Audit contacts based on last year's reporting and communication requests sent by OSC in the month of May. If you require access to the SharePoint [site](#), please contact oscsingleauditreporting@osc.nc.gov.

The 2022 Single Audit Instructions are available on the OSC [Website](#) and also on the SharePoint [site](#).

Please Note: This year, all entities are required to report their expenditures for federal awards received for Assistance Listing 21.019 - Coronavirus Relief Funds (CRF) and Assistance Listing 21.027 - Coronavirus State & Local Fiscal Recovery Funds (CSLFRF) on the FY 2022 SEFA. The expenditures for these federal awards will not be reported by the Office of State Budget and Management (OSBM) as it was on last year's SEFA.

The Single Audit reporting due dates correspond with the Annual Comprehensive Financial Report (ACFR) due dates.
