

## SAP GUI System Upgrade Bulletin

SAP GUI System Updates  
(SAP System Upgrade – May 2014)

The OSC HR/Payroll System will be updated with a SAP system upgrade on May 23, 2014. The ESS and MSS users will only experience “look and feel” changes.

Changes include:

- Font sizes on field or tab labels
- Different border shading
- Some important words now capitalized
- Some item spacing now closer together
- Buttons not previously used are now hidden

This document will show both what the screen looked like prior to the change and the result of the change.
